

CAThedral

an original Needlepoint project from Blue Dogwood Designs

December 2013

Area 12 - Lower Window Frame

You can start this project with the instructions January 2013 Stitchguide or purchase a line drawn canvas.

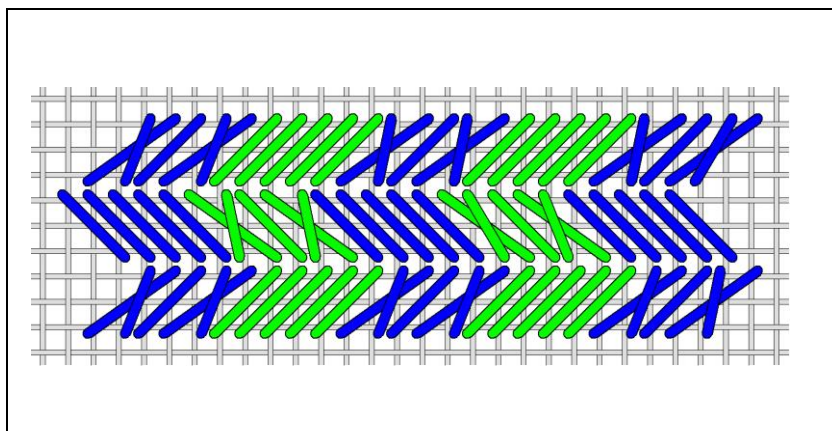

<https://bluedogwooddesigns.com/product/cathedral/>

Facebook has group called **CAThedral by Kay**. Find Blue Dogwood Designs on facebook and send me a note to join.

Area 12- The end!

Diagram colors	Thread	Color	Floss color
Blue	Mandarin Floss M888	blue	Anchor 433
Green	Floche 907	Apple green	255

Blue color indicates previously used thread

Blue is Mandarin Floss M888 blue

Green stitches is Floche 907 apple green

Start on the right hand side to get a feel for this odd pattern.

Under the tail, do tent in the blue.

A huge thank you to Linda Wimer for her fabulous stitching! We have had some great laughs talking about the diagrams, fixes and colors. What exactly were you thinking?

Thanks to all the stitchers around the country working on this project. This year was great fun.

Best, My best friends are stitchers,

Kay @ Blue Dogwood Designs
