* thread description modified 3/25/17

an original Needlepoint project from Blue Dogwood Designs

January 2017!!

Linkin Logs

The new 2017 monthly project!

Welcome to a new year with 3 new things.

- 1.** New threads from Colour Complements from British Columbia, Canada. There are 10 threads, mostly overdyed, hand dyed by Lorraine Stobie.
- 2.** Blue Dogwood Designs is kitting the threads and selling to Linkin Logs stitchers direct. With some of the threads specially dyed for this project, and many shops that do not carry similar threads from Colour Complements.. shipping... customs.... well, I decided to bring in the inventory!

- 3. Two colorways to choose from!**
Choose Purple or choose Orange. See how to order below.

Finished size is 6 in x 6 in on 18 count.

Best,
Kay

The First Stitch: The canvas provided is 18 count 11 inch x 11 inch. Measure 4.5 inches from the top and 4 inches from the left side and mark that stitch. If you have any other size canvas and have mentally marked the design size of 6 inch x 6 inch, the start stitch is 2 inches from the top and 1.75 inches from the left side.

The first stitch uses **Thread #2** from the above list, Kreinik 8 Br and will be the white stitches on the diagram below. For the Purple colorway, thread #2 is Kreinik 8 braid lightish blue marked color 3 on the tag. For the Orange colorway, thread #2 is Kreinik 8 braid light orange/gold marked color 3 on the tag. Start at the left side and stitch a line with 18 stitches, then park the thread.

Dark stitches are **Thread #1** Perle 5 Solid
Purple colorway: label says Teal
Orange colorway: label says Color GY for Golden Yellow

Note when stitching this outer rectangle, there are 5 tent stitches on the sides and 6 tent stitches on the top and bottom. Follow the diagram for the dark gray stitches with the solid Perle #5.

Pick up the **Thread #2** and stitch 5 French Knots, represented by white circles on the chart.
