

Star Chart Ornament

Needlepoint from Blue Dogwood Designs

Sarah's chart and pendant

Every ornament will be different!
Yours is uniquely yours!

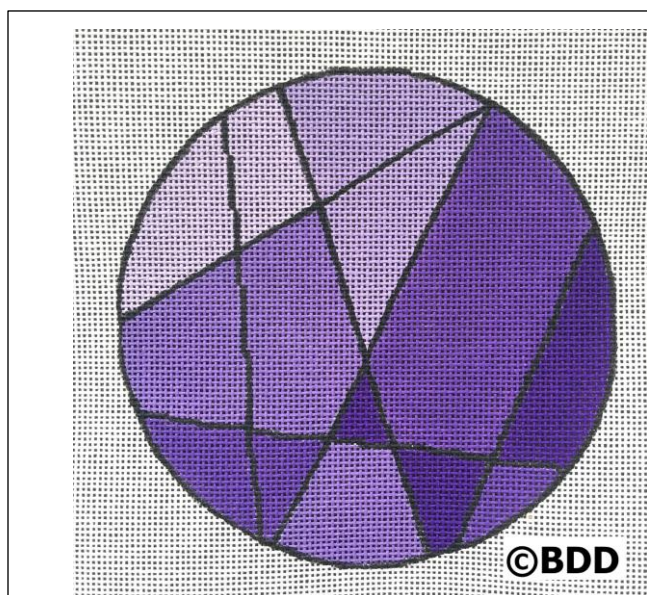

The Star Chart is based on your birthdate, time of birth and location.

The website <https://www.asabove.us/> can chart this for you for free. They offer charms and pendants that you can purchase – there are various sizes and metal finishes.

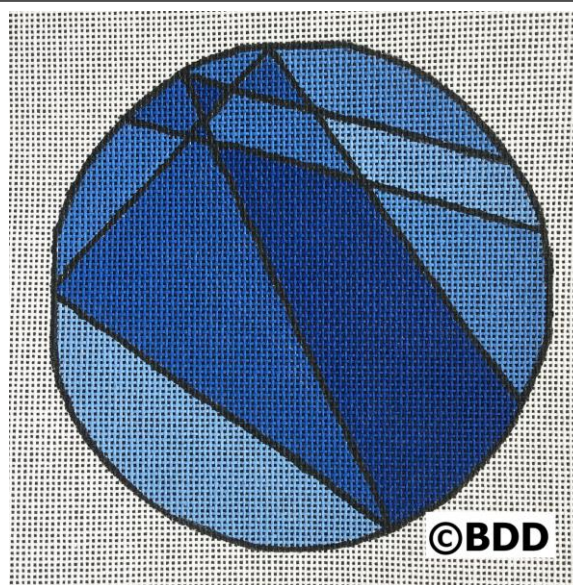

Text or email me a picture of your center circle of the chart and your favorite colorway. I will custom paint a 5 inch diameter ornament on 18 count for you. \$54

You can send me your charm and I will create a scissor fob to match your ornament.

Best,
Kay
